

# Dr Keith Suter

## Introduction

Dr Keith Suter is the Managing Director of the Global Directions think tank.

He is considered to be one of Australia's most influential Global futurists and media commentators in national and foreign affairs. He is an economic and social commentator, strategic planner, author and broadcaster.

As a broadcaster, he appears on Australian radio an average of once per day.

He is the Foreign Affairs Editor on Channel 7's "Sunrise" program. He is also a foreign policy analyst for Sky TV Australia.

As a highly regarded academic, his first degree was in international relations, economics and international law. His first PhD was on the international law of guerrilla warfare. His second was on the international political economy of the arms race. His most recent PhD was on scenario planning.

He teaches political science on the Sydney international campus of Boston University, USA.

He is the Director of Studies of the Australian Branch of the international Law Association, and NSW Chair of the International Commission of Jurists.

He has been a member of the international think tank The Club of Rome since 1993.

**Ladies and Gentlemen would you please welcome Dr Keith Suter....**
